

Friday 7th February 2020

The eco-council organised an own clothes day to raise money to help those impacted by the bushfires in Australia.

All eco-councillors delivered a speech to their class to raise awareness of the impact climate change is having on the spread of wildfires.

They asked everyone in school to make a donation of £1 which was placed on a map of Australia in each class.

They then presented the value of **ca**ring for the **environment** by being **globally responsible** to the whole school in assembly.

Thank you!
 Together we raised
 £408.75

to help those affected by the
 Australian bushfires.

Half of the money has been donated to the
 WWF's Australian Wildlife and Nature Recovery
 Fund.

The other half has been donated to the
 Australian Red Cross Disaster Relief and
 Recovery

the power of
 humanity
