subetise, part, whole

We are reading:

The Jolly Christmas Postman

Vocab

letter, address, christmas traditions

Christmas Countdown!

Christmas is fast approaching and we hope you have lots of lovely plans ahead.

We know how busy life is at this time of year and so we hope some of these ideas will help you and your children get into the festive spirit while learning at the same time.

- Follow your advent calendar closely, counting up and down the days until Christmas! Encourage the children to look at the numbers on their calendar each day and talk about them!
 - Encourage your child to write their name on Christmas cards and even a special message.
 - Enjoy reading Christmas books together before bed.

Phonics

Level 3 phonics:

y z zz qu ch

We are working really hard on letter formation at the moment and building up our stamina to write words and captions.

Keep practising at home with any media that interests your child such as chalks, felt tips, crayons, whiteboard pens etc.
