Display pack

**Easy-to-use display materials
and key messages to help
teachers create a Speak out
Stay safe display in school.**

Welcome to your Speak out Stay safe display pack!

Use this pack to create a display board in your school and help share the Speak out Stay safe messages throughout the year. We can work together to help keep children safe by sharing the programme's key messages all year.

Speak out Stay safe is our safeguarding programme for 5-11 year olds. It's available to all primary schools in the UK and Channel Islands. It teaches children what abuse is, that abuse is never a child's fault and that they have the right to be safe. It also teaches them that they can speak to a safe adult or to Childline if they need help or support.

Visit the Speak out Stay safe page to learn more

Here you can find out more about the resources we have to support schools and teachers just like you.

Sexual abuse:

Our PANTS resources can support you when talking to children about sexual abuse. If you work with Makaton users, access 'Talk PANTS with Makaton'.

Interchangeable activity can be swapped out. Option of using speech bubbles or placards to encourage children to engage with the messages.

Feel free to share your anonymised displays with us on social media using the hashtag **#SpeakOutStaySafe**

Make sure to include the NSPCC branding so staff and parents know where the materials come from and that they can be trusted.

The Childline website and phone number should be the main focus of your display board.

Use this frame to display your school's safeguarding team.

This is a key message, include a reminder on speaking to a safe adult.

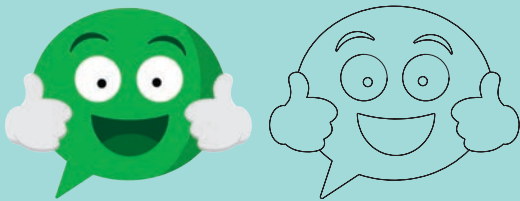

Illustration with key messages look best at the bottom of the board due to where the illustration finishes.

This pack includes:

Before you start

You **won't need to print this whole pack** out. You have different pages to choose from, depending on how you want your display to look. You'll also need to print some of the pages multiple times.

Header Page 7-16

You can use this as a title for your display board.

Mascot Buddy Page 17-20

Use this Buddy as one of your main features on your board. We've also included an outlined version for colouring in.

Additional Buddies Page 21-25

These Buddies can be used around the school or in your classroom to remind children of our visit.

Choose the Buddy pose appropriate for the message you are giving to children.

Childline website and phone number Page 26-31

The Childline website and phone number can be the main focus of your display board. We want children to have a daily reminder of ways to contact Childline.

childline.org.uk/buddy is for children aged **5-7**.
childline.org.uk/kids is for children aged **7-11**.

Optional crafting materials:

- Backing paper or wrapping paper, to create a background for your display. We recommend a light blue, so the assets in this pack stand out.
- Adhesive tack
- Staple gun
- Drawing pins
- Scissors
- Marker pen
- Tape
- Glue stick
- Tissue paper
- Colouring pens, pencils and crayons

Speech bubbles

Page 32

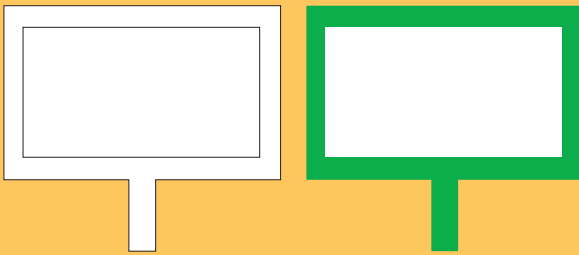

Print multiple speech bubbles for children to recall and write down the key messages from Speak out Stay safe. Some examples might be:

- Speak out Stay safe.
- Keep speaking out until something gets better.
- All children have rights.
- We all have the right to Speak out and Stay safe.

Placards

Page 33-34

Alternatively you can print multiple placards and ask children to write key messages or interactive questions such as

All children have the right to:

- Speak out and have their views taken seriously.
- Be kept safe.
- Get help when they need it.

Interactive questions:

- Can you remember the Childline number?
- All children have rights, true or false?
- What website can you visit anytime for advice and support?

Top tip

Print multiple versions of this page for the number of children that will be participating.

Top tip

It's important to include our logo on your display boards. It lets parents, staff and children know where the materials have come from. Knowing it comes from the NSPCC allows them to trust the content as it has our backing and approval.

We've included our logo in two colour options, so you can choose which would work best for your display.
