## *Living, Learning and Loving in Jesus*

15<sup>th</sup> July 2024

Dear parents,

As we come to the end of our academic year, I wanted to pass on my sincere thanks to you all for your support since my arrival at OLBE. It has been a pleasure and a challenge to be part of the school and I have enjoyed the experience....so far!

Our long awaited Ofsted inspection arrived last week and was a very thorough and rigorous process. As many of you are aware, the Ofsted inspection framework has changed numerous times since the school was last inspected in 2013. They look at all areas of school life and report their findings in a final report. This report will not be available until the Autumn term, as it has to go through a quality assurance process. In turn, the staff and myself cannot comment on the outcomes as they are still embargoed. I can share that I found the process a fair, transparent and challenging process where every area of a school life was fully investigated and I am in agreement with the final outcomes. The staff are all now able to enjoy a relaxing and enjoyable summer and we will all come back in September ready to further move the school forward by providing a quality education for all. I would like to pass on my thanks for your overwhelming and mostly positive responses to Parent View and for the kind comments and support, shared with staff last week. Finally, to the pupils, who have simply been amazing in sharing their enthusiasm, hard work and excellent behavior throughout the inspection. Thank you!

Also last week, I was fortunate to attend the BEAP production at Liverpool City College. It was truly fantastic and a privilege to be at. The performances by the children were outstanding and a credit to the school and their families.

Thank you to the HSA for organizing another excellent summer fair and for their continued efforts in providing much needed funds for the school. Also, to all the families who have supported this annual event – it is very much appreciated.

We also wish all of our Y6's every blessing as they move to their high schools confident in knowing they will be fabulous ambassadors for OLBE.

Finally, some staffing news. Unfortunately, due to the financial situation, the school has found itself in this year, we are having to say goodbye to some staff. Mr Stead will be leaving OLBE this year. He has made an excellent contribution to PE & sport at OLBE and helped the children experience many sporting activities. We pass on our thanks and wish him well. Also, Miss Henderson and Mrs Murphy will be leaving. Again, we say thank you for all of their hard work in assisting Y2 & Y3 in the classroom and wish them well for the future.

Finally, I hope you and your families have a wonderful summer and I look forward to seeing you all in September.

Yours sincerely,  
Mr. P. Loughran  
Interim Head Teacher
